Jason and David,

We need to schedule time to speak with you tomorrow morning, as Scott mentioned today, to discuss the items in our Saturday correspondence—specifically including information about websites, domain hosting, parties providing services, and the like. What times work for you tomorrow morning? In addition, we are continuing to work to obtain DLI client files from Dentons and other firms—please sign and return the clawback agreement as soon as possible.

Thanks,  
JM
